# CONNIE'S COLOURING

**Hiya!**

I'm Wooton Bassett and it's a busy day on my postal route with a lot of mail to deliver. Can you help me find my way through the streets of Odyssey? (Who designed this place anyway?)

# ODYSSEY HIDE AND SEEK

**Supplies needed:**  
Scissors and 2 pencils

*Find all your  
favourite friends in  
this fun game!*

Cut on the  
dotted lines!

## How to play:

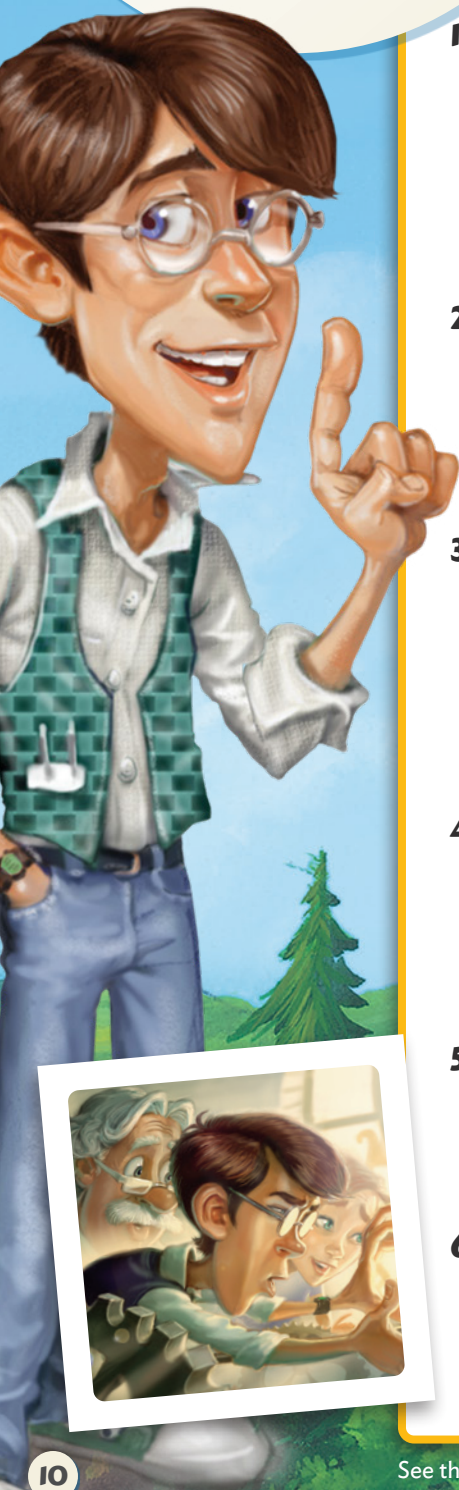

1. Tear out these two pages and cut along the dotted lines so each player has a piece of paper with "My Grid" and "Partner's Grid" on it.
2. Cut out the characters and give each player a set of six characters.
3. Set up a barrier so the other player can't see your grids.
4. On "My Grid," place each of your six characters in different boxes.
5. Using the letters and numbers along the edge, take turns guessing a spot where the other player placed their characters.
  - If you guess a spot with a character, mark it with a happy face on "Partner's Grid."
  - If you guess a blank spot, mark it with an X on "Partner's Grid."
6. The first person to find the other player's six characters wins. When you're done, erase all the pencil markings and play again!

## Greetings and salutations!

Eugene Meltsner here. Miss Kendall decided to challenge me to memorize a smattering of Bible verses. However, to get my proverbial goat, she mixed up the letters in each word! Can I count on your assistance to unscramble the letters in the verses below?
